Industrial IoT Solutions for Mining and Construction

-  Ruggedised
-  Battery Operated
-  Network Agnostic
-  Modular
-  Integratable

LPWAN Group stands at the forefront of industrial IoT innovation, providing a comprehensive portfolio of battery-powered, modular, and integratable solutions for managing Distributed Industrial Assets in Mining and Construction.

-  **5000+ product variations**
-  **60+ end to end solutions**
-  **Adaptive Rule Engine**
-  **Integrated Device Management**
-  **Modular Custom Solution**

With over 25 years of expertise in design, manufacturing, and integration, we are pioneers in deploying integrated LPWAN sensors and targeted solutions that strive to build a better future for all. Specializing in pressure and level monitoring, we proudly offer over 20 unique pre-configured solutions, supported by thousands of active devices worldwide; from Norway to New Zealand, and Canada to South Africa.

**No matter how complex your application,
just share it with us and we will take care of the rest ...**
